

The Power of Coaching (POC)

The Power of Coaching programme has been designed by the creators of the ITP (Improving Teacher Programme) and OTP (Outstanding Teacher Programme) to enhance the leadership of teaching and learning through promoting effective coaching. Facilitated by experienced school leaders and teachers, the POC forms part of the OLEVI Teaching & Learning Syllabus, which has gained a national reputation for raising standards in teaching and learning.

The Power of Coaching

- links coaching to outstanding practice and how to achieve outstanding learning
- exemplifies how to implement coaching in a range of professional contexts from the classroom to the training room
- enables delegates to select their own coaching model to articulate to others
- provides opportunities for delegates to engage in a range of activities and access theories behind effective coaching practices
- provides opportunities for delegates to engage in a range of activities and access theories behind effective coaching practices
- links coaching to outstanding practice and how to achieve outstanding learning

The programme is a key part of the OLEVI portfolio of school-to-school support, which is helping to increase capacity and drive up standards in all schools. Among many benefits, this programme helps schools to work more effectively as a whole school team and improve their collaboration with other schools and organisations.

Impact

Effective 'buy-in' and commitment to this programme supports the development of a culture that makes a difference to student learning; a commitment to professional learning; a belief in the abilities of colleagues to move forward; and a commitment to developing emotional intelligence.

The delegate will be:

- able to facilitate coaching within the classroom and to colleagues
- more reflective in their understanding and application of DR ICE®
