

### Beyond M2...

A teacher development programme suitable for teachers working beyond M2 that would like to further enhance their teaching practice and improve standards in the classroom

Develop your staff's pedagogy to: **deepen thinking, role model learning**, have **impact** on pupil progress, **challenge expectations** and **engage children in learning**.

#### The programme will:

- ✚ Provide your teachers working beyond M2 with **in-depth coaching** and a variety of opportunities to **deepen their understanding of high-quality classroom practice**.
- ✚ Enable candidates to **reflect** and **improve their own teaching** practice in order to provide their pupils with the best possible learning experience
- ✚ Enable candidates to **improve standards** in their classrooms and schools
- ✚ Collaborative approaches to development through face to face sessions, learning tours and structured observations of teaching within an outstanding primary school setting

### Pre - programme

The work of the delegates needs to be supported by a learning mentor from their own school - this is an important coaching role and is pivotal to the success of the delegates. We will come and speak to the mentor before the programme starts so that we get a good overview of what you want out of the programme for your staff member/s.

**Each course is individually planned to meet development needs of each candidate identified by the candidates themselves and the schools involved with the programme.**

### Impact

The beyond M2 programme is having a significant impact on the performance of teaching staff and pupils in schools.

*"6 recent participants who have attended the programme at Hales Valley Teaching School received a grade of good or better when observed during their recent OFSTED"*

Participant feedback is very positive:

*"You have created a really safe environment for us to share our ideas and concerns. I have felt well supported and confident in my own development"*

**Costs:** £575 per delegate

**Dates:** 23rd January, 30<sup>th</sup> January, 28<sup>th</sup> February, 4<sup>th</sup> March, and 11th March  
(All full days 9.30am-4.00pm inclusive of lunch and all refreshments)
